

NEW THIS SCHOOL YEAR!

A Parent-Only Experience

Join us for a special evening designed to help Montessori parents learn more about the Montessori approach, support development at home, and connect with other families.

Dates for the 2026-2027 School Year are:

Wednesday, November 4 | 6:00 PM to 7:30 PM

Monday, February 1 | 6:00 PM to 7:30 PM

This event is adults only.

No babies or children are allowed. If your spouse/partner is watching your children, then you are invited to bring a guest.

See back for more details!

FREE event open to all existing Montessori parents

This school year, we are excited to introduce **Montessori at Night**, a free parent-only engagement experience created exclusively for Montessori families.

We expect to host two evenings during this school year and understand that scheduling can be difficult, so we are sharing this information early to help families plan ahead.

Each evening will offer an opportunity to learn more about the Montessori experience, discover ways to encourage development at home, and connect with other parents in our school community.

This **FREE** event will include light refreshments and catering and an RSVP link will be sent out.

Montessori at Night is one more way we are working to create a more engaged experience with our families, in alignment with our Strategic Plan. Read our Strategic Plan here
